

Dear Paul,

I wanted to remind you that tomorrow is the launch of the book 'The Haunted House', by the author Alex Whiteoak.

He told me that he has been working on the book since August. It took him such a long time because he was exhausted after his last book tour.

At the launch, since it is autumn time, we went for an orange, red and brown theme. There will be drinks, hot dogs and burgers with sauce. After the food, Alex will read a section from the book.

I really hope that the audience give Alex a huge applause. Maybe some people might want his autograph too!

Looking forward to seeing you,  
Laura
