

Keeping School Safe

Stay 2 metres away from other people

Sanitise your hands regularly

If you or anyone in your house is ill - stay home !

Stay at home

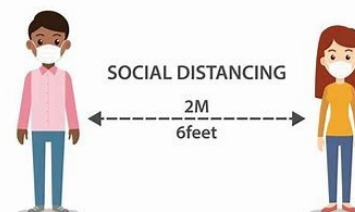

14 Days

Be on time!

Returning to School Information Leaflet For Parents

No cars are permitted onto Magnus Road for dropping off or picking up children.

In order to make it safer for children and adults to return to school you must observe social distancing when bringing children to school and collecting them.

Please make sure you are on time to drop off and collect your child / children. Gates will only be open for 5 minutes for each year group.

Children who are late will not be admitted to school until all of the other year groups are settled into their classes.

This is so that we can maintain the integrity of the year group bubbles to protect adults and children.

Children who are late being picked up will be taken to the Nursery playground. A fine will be issued to parents who are late.

Parents will not be permitted to enter school without an appointment.

If you need to see someone, please ring the school on 0116 2661114 to make an appointment.

We apologise but no toilet facilities will be available in Reception for parents
