- 8/10 children from each class attend the club at any one time.
- At 2.30, FS leader to split the remaining class between the other 2 classes in the year group– 10 in each (GS will split hers between Y1 and 2). This will just precede Assembly time and so be manageable in terms of cover implications.
- FS leader will run their session from 2.30-3.30. Parents will need to agree to collect their children at 3.30 pm.

Protocol for organising groups and setting up sessions.

2. Permission slip to be sent to parents two weeks prior to group starting. If permission is not granted child will not be able to attend.
3. Forest School sessions run over a 6 week period.
4. The next group begins their sessions immediately after.
