Login to the app using your email address and your new password.

Start up page

 This is the page you
 will find once you select the learners symbol here.

• You should see your childs face and name.

• If this is not your child please let us know.

Viewing observations and messages

Select the observation sign here.

It is in this observation section you will see all of the observations and messages linked to your child.

Making and sending items to school

This is where you can sent messages and take observations of your child to send to your teacher.

This could include trips out, celebrations, new learning or playing.

Permissions for the app

When you download the app you will need to allow permissions.
This can be changed within your own phone permissions within settings.
